TROPICAL CYCLONE BULLETIN NR. 27F

Typhoon TINO (KALMAEGI)

Issued at 5:00 PM, 06 November 2025

HAZARDS AFFECTING COASTAL WATERS

24-Hour Sea Condition Outlook

Up to rough seas over the following coastal waters:

- **Up to 3.5 m:** The seaboard of Batanes and Kalayaan Islands.
- **Mariners of small seacrafts, including all types of motorbancas, are advised not to venture out to sea under these conditions, especially if inexperienced of operating ill-equipped vessels.**

Up to moderate seas over the following coastal waters:

- **Up to 2.5 m:** The seaboard of Babuyan Islands, Ilocos Norte, Zambales; the western seaboard of Pangasinan, Bataan, Occidental Mindoro including Lubang Islands, and Palawan and Calamian Islands.
- **Up to 2.0 m:** The seaboard of mainland Cagayan, Isabela, Aurora, Camarines Norte, Ilocos Sur, and La Union; the eastern seaboard of Albay, Sorsogon, Eastern Samar, Dinagat Islands, Siargao Islands, Bucas Grande Islands, Surigao del Sur, and Davao Oriental; the northern and eastern seaboard of Polillo Islands and Catanduanes; the northern seaboard of Camarines Sur; the remaining seaboard of Palawan.
- **Mariners of motorbancas and similarly sized vessels are advised to take precautionary measures while venturing out to sea and, if possible, avoid navigation under these conditions.**

TRACK AND INTENSITY OUTLOOK

- TINO will move generally west northwestward and make landfall in Central Vietnam tonight. Slight weakening may occur prior to landfall, while rapid weakening is expected after landfall.

Considering these developments, the public and disaster risk reduction and management offices concerned are advised to take all necessary measures to protect life and property. Persons living in areas identified to be highly or very highly susceptible to these hazards are advised to follow evacuation and other instructions from local officials. **For heavy rainfall warnings, thunderstorm/rainfall advisories, and other severe weather information specific to your area, please monitor products issued by your local PAGASA Regional Services Division.**

Unless re-development and re-entry occur, this is the final bulletin for this weather disturbance.
