## TROPICAL CYCLONE BULLETIN NR. 23F

### Typhoon OPONG (BUALOI)

Issued at 11:00 AM, 27 September 2025

#### HAZARDS AFFECTING COASTAL WATERS

##### 24-Hour Sea Condition Outlook

###### **Up to rough seas over the following coastal waters:**

- **Up to 3.5 m:** The seabards of Lubang Island and Kalayaan Islands.
- **Up to 3.0 m:** The seabards of Batanes, Cagayan including Babuyan Islands, Isabela, Ilocos Norte, and Zambales; the western seabards of Bataan, Calamian Islands, and Northern Palawan.
- **Mariners of small seacrafts, including all types of motorbancas, are advised not to venture out to sea under these conditions, especially if inexperienced of operating ill-equipped vessels.**

###### **Up to moderate seas over the following coastal waters:**

- **Up to 2.5 m:** The eastern seabards of Aurora; the northern and eastern seabards of Polillo Islands; the western seabards of Occidental Mindoro and Palawan.
- **Mariners of motorbancas and similarly-sized vessels are advised to take precautionary measures while venturing out to sea and, if possible, avoid navigation under these conditions.**

#### TRACK AND INTENSITY OUTLOOK

- On the track forecast, OPONG will move generally west northwestward towards northern Vietnam.
- OPONG is forecast to intensify further as it approaches northern Vietnam.

Considering these developments, the public and disaster risk reduction and management offices concerned are advised to take all necessary measures to protect life and property. Persons living in areas identified to be highly or very highly susceptible to these hazards are advised to follow evacuation and other instructions from local officials. **For heavy rainfall warnings, thunderstorm/rainfall advisories, and other severe weather information specific to your area, please monitor products issued by your local PAGASA Regional Services Division.**

With this development and unless re-entry occurs, this is the final tropical cyclone bulletin. Succeeding updates will be incorporated in the 24-Hour Public Weather Forecast issued at 4:00 AM and 4:00 PM daily.
